Open House Location:
2849 N. John Young Parkway, Kissimmee, FL 34741 • 321-697-4040
Osceola Science Charter School is a tuition-free, public charter school for grades K-8, providing a rigorous curriculum for advanced and gifted minds focused on science, technology, engineering and math (STEM).

We’re proud to invite you to our relocated campus, which is now open on the border of Osceola and Orange counties. Now, residents of both counties can take advantage of our unique educational model for the future – right in your neighborhood:

• Small class sizes and individual attention
• Award-winning academic and extracurricular programs
• State-of-the-art technology
• Full-time accelerated education for gifted and advanced students
• Recipient of $10,000 Amazon STEM donation
• Robotics, Science and Math Olympiad programs
• New 70,000-square-foot campus features: STEM lab and science labs, media center, music classroom, performing arts lab, regular classrooms, playground, basketball court and football field

Osceola Science Charter School is part of Orlando Science Schools, which has campuses in Orange, Seminole and Osceola counties.
